- **Collaborated with clients** to understand requirements and ensure the automation met their needs and improved operational efficiency.

TECHNICAL SKILLS

Robotics Process Automation, VBScript, C++, Java, JSP, Struts, JavaScript, React, Node, SQL, Data Structures, Postman

CERTIFICATIONS

- SQL Certificate (03/2022) -Hackerrank
- Problem-Solving (06/2022) Hackerrank
- Java Programming(09/2021) - Great Learning
- OOPS in Java(09/2021) – Great Learning

CODING PLATFORMS

- 4-star (problem-solving), 4-star (SQL) Hackerrank
- 200+ problems solved on Leetcode
- 60+ problems solved on GeeksforGeeks
